## HOW TO SPA AT THIA

### Check-in

When you arrive at THIA Wellness you will be asked to complete a brief consultation questionnaire. At this time please inform our reception team if you have any health concerns.

While we will always try to accommodate your treatments, late arrival may mean a reduction in your treatment time due to prior bookings.

### Shower Facilities

Please note that we do not provide shower facilities.

### Phone Etiquette

In all areas, please be considerate of other guests and switch them to silent mode.

### Minimum Age

The Spa and Wellness services are only appropriate for guests 16 years and older.

### Spa Wear

We provide disposable underwear for your privacy and our therapists will advise you on their usage. They should be worn throughout your service – our therapists are fully trained to drape you to protect your privacy at all times.

### Health

Please remember to drink fluids, especially water during and after your time at THIA Wellness.

Gentlemen should shave a few hours before any facial treatment to increase comfort.

If you have enjoyed a massage we suggest you leave the oils on your skin for up to 2 hours before taking a shower so that your skin fully absorbs the oils' properties.

Our therapists are fully trained to ensure your treatments are some of the best you will experience. However, please inform them at any time if you are uncomfortable or require assistance.
